Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called applicants' attorney to inquire for the status of the application, because it has been more than six months since the last office action. Mr. Stiennon indicated that they had not responded to the last office action, because they never received it. The examiner indicated that since the application was technically abandoned, i.e., no response after six months, then the case needs to go abandoned and he can file a petition to revive it. .
